Q. How often, if at all, do you participate in social action activities? By social action activities we mean giving up your time to do something that will help others whilst also learning and developing yourself. For example, teaching digital skills to older people, mentoring young people or improving local spaces for others to enjoy.

Q_6. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti.

It is important that young people help tackle social issues

The Scout Association - Survey of Scouts

Q. If the opportunity was available to you, how many hours a month, if any, would you be willing to spend to help tackle a social issue in your local community? For example, this could include things like helping in kitchens for the homeless and teaching digital skills to older people.
