

UNIVERSITY OF DURHAM – DIGITAL CHURCH WAVE 2nd – 4th August 2020

Savanta ComRes interviewed 2,244 UK adults aged 18+ online between 31st July and 3rd August 2020. Data were weighted to be nationally representative of all UK adults by key demographic characteristics including age, gender, region and social grade. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com.

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660

Q1. Summary: Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	1
Q1_1. Prayer offline: Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	2
Q1_2. Meditation offline: Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	4
Q1_3. Corporate worship (at a church/synagogue/mosque/temple): Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	6
Q1_4. Reflecting on nature offline/Walking in nature: Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	8
Q1_5. Choir offline: Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	10
Q1_6. Yoga offline: Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	12
Q1. Summary - doing activity more than before COVID-19: Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	14
Q1. Summary - doing activity less than before COVID-19: Thinking only about offline faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	16
Q2. Summary: Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	18
Q2_1. Prayer online (e.g. via Zoom, on YouTube): Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	19
Q2_2. Meditation online (e.g. via Zoom, on YouTube): Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	21
Q2_3. Corporate worship (an online group devotional meeting): Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	23
Q2_4. Reflecting on nature online: Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	25
Q2_5. Choir online (e.g. via Zoom, on YouTube): Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	27
Q2_6. Yoga online (e.g. via Zoom, on YouTube): Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	29
Q2. Summary - doing activity more than before COVID-19: Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	31
Q2. Summary - doing activity less than before COVID-19: Now thinking only about online faith related activities that you are doing regularly (at least once a month), would you say you are doing each of the following activities more, less or the same amount as you were before the COVID-19 pandemic? BASE: All respondents	33
