Q18. Summary table: Thinking about your own apprenticeship, to what extent do you agree with the following?

BASE: All respondents

		Statements								
		My apprenticeship allows/allowed me flexibility to meet other commitments, such as caring for children or other family members	I have considered/ did consider leaving my apprenticeship early because I struggled financially	I considered not starting my apprenticeship because of the low pay on offer	I had to move back home/live at home with my parents or family during my apprenticeship as I would not have been able to afford to do it otherwise	I could only afford to do an apprenticeship because of financial support from family/friends during my apprenticeship	I receive/ received state benefits in addition to my apprenticeship pay	My parents were not keen on me doing an apprenticeship because their benefits would be reduced	Overall, doing my apprenticeship cost me more than I earned/is costing me more than I earned	I could have gone to university but I chose an apprenticeship instead
