

ukactive Councillors Survey – Public Private Partnerships

METHODOLOGY NOTE

ComRes interviewed 401 local councillors in England and Wales between May 21st and May 31st 2015. Data were weighted to be representative of all local councillors in England and Wales by party and region. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

Councillors Survey

Q1. To what extent do you agree or disagree that there is a role for private companies to work with local government on public and community projects?	1
Base: All respondents	
Q2_SUM. The following is a list of different ways in which private companies might provide support when working in partnership with local government on community projects. Which of these types of support do you think are the most important? - SUMMARY TABLE	3
Base: All respondents
